

Native American Flute (6-hole) — Starter Songbook

A-tuned NAF · A minor pentatonic · range A4–D6

Heifer Zephyr · Tony Koop · 2026 · github.com/tonykoop/sheet-music

00 — Warmup scales

- range-walk.abc Slow ascending + descending walk through every NAF pitch.
- intervals.abc Pentatonic 2nds, 3rds, 4ths, octave.
- ornament-drill.abc Plain note then the same note with a one-step grace.

01 — Easy (slow, single octave, no ornaments)

- **Amazing Grace**
PD hymn (Newton 1779 / 'New Britain' 1835); transposed up an octave for A-NAF.
- **Star of the County Down**
Trad. Irish (Petrie 1855 / 'Dives and Lazarus' family); pentatonicised from A dorian.
- **What Wondrous Love Is This**
Trad. Appalachian (1811 lyrics / 1835 melody); pentatonicised from A dorian.

02 — Intermediate (brisker tempo, wider intervals)

- **Simple Gifts**
Shaker dance song (Brackett 1848); re-keyed F→A min pent, ■=104.
- **Twinkle Twinkle Little Star**
Mozart K. 265 (1781) / Taylor 1806; re-keyed C→A min pent, F→G/E.

03 — Original (Heifer Zephyr commission)

- **Pre-Dawn Field**
*AABA, 32 bars, ■=60, A min pent. The all-night sky-watch into the cold-fog dawn;
one grace-note ornament at the apex (the frost-breath flaring out).*

How to use this songbook

1. Open the day with `00-warmup-scales/range-walk.abc`. Hold each note long enough to find a steady tone.
2. Play one easy tune through, slowly, twice. Don't truncate the long notes — they're the breath.
3. Once an easy tune is steady, move it to memory and try one intermediate.
4. Save Pre-Dawn Field for a quiet hour. It's meant to be played slowly, alone.
5. Each tune folder has tune.abc (canonical), tune.mid (hear it), tune-fingering.svg (per-pitch fingering), and notes.md (provenance + practice tip). Open notes.md before playing a new tune.
